

The Woodcock-Johnson Psycho-Educational Battery - Revised (WJ-R)

WJ_R has a total of 35 subtests, made up of Cognitive Battery, Achievement Battery and Supplement Battery of Achievement:

Cognitive Battery (21 subtests)

1. Memory for names (word)
2. Memory sentence
3. Visual Matching
4. Incomplete word
5. Visual Closure
6. Picture Vocabulary
7. Analysis-Synthesis
8. Visual-Auditory Learning
9. Memory for Words
10. Crossout
11. Sound Blending
12. Picture Recognition
13. Oral Vocabulary
14. Concept Formation
15. Delayed Memory for Names
16. Delayed Visual-Auditory Learning
17. Number Reversed
18. Sound patterns
19. Spatial Relations
20. Listening Comprehension
21. Verbal analogies

Achievement Battery (9 subtest)

22. Letter-word Identification
23. Passage Comprehension
24. Calculation

25. Applied Problems

26. Dictation

27. Writing sample

28. Science

29. Soc. Studies

30. Humanities

Supplement Battery of Achievement (5)

31. Word Attack

32. Reading Vocabulary

33. Quantitative Concept

34. Proofing

35. Writing Fluency

What subtests make up WJ-R the seven cluster scores?

Long-term Retrieval (Glr): The ability to store information and fluently retrieve it later associations.

- 1. Memory for Names (MFN)
- 8. Visual-Auditory Learning (VAL)
- 15. Delayed-MFN (D-MFN)
- 16. Delayed-VAL (D-VAL)

Short Term Memory (Gsm): Hold information immediate and within few seconds.

- 2. Memory for Sentences (MFS)
- 9. Memory for Words (MFW)
- 17. Numbers Reversed (NRev)

Processing Speed (Gps): The ability to rapidly perform automatic cognitive task particularly when under pressure to maintain focused attention.

- 3. Visual Matching (VM)
- 10. Cross Out (CO)

Auditory Processing (Ga): The ability to analyze and synthesize auditory stimuli.

4. Incomplete Words (IncW)

11. Sound Blending (SBld)

18. Sound Patterns (SPatt)

Visual Processing (Gv): The ability to analyze and synthesize verbal stimuli.

5. Visual Closure (VCI)

12. Picture Recognition (PRec)

Comprehension Knowledge (Gc): (Especially verbally) Depth of knowledge, ability to communicate and reason previous learned procedures.

6. Picture Vocabulary (PV)

13. Oral Vocabulary (OV)

20. Listening Comprehension (LC)

Fluid Reasoning (Gf): The ability to reason, form concepts and solve problems using unfamiliar information.

7. Analysis & Synthesis (A/S)

14. Concept Formation (CF)
