

PERRY PRESCHOOL PROJECT
Ypsilanti Rating Scale

On each of the following pages, the following areas of pupil adjustment are given:

1. Social relationship with class mates
2. Social relationship with teacher
3. Level of verbal communication
4. Degree of imagination and creativity shown in handling materials and equipment
5. Level of academic readiness
6. Level of curiosity shown
7. Level of emotional adjustment
8. Prediction of future academic success
9. Degree of your desire to work with this child
10. Degree of trust of total environment
11. Direction of interest (Introversion-Extroversion)
12. Mother's degree of cooperation shown
13. Prediction of mother's future school relationship

Please give a rating of each pupil by writing in a number opposite each child's name.

Each child is to be compared with other students in your class.

Teacher 

Date

June 17, 1966

Compare the child with the other students in your class on social relationship with class mates.
